

DANE COUNTY SHERIFF'S OFFICE COMMUNITY DEPUTY CORNER

NOVEMBER 2020

Welcome to the "COMMUNITY DEPUTY CORNER", a triannual newsletter for Dane County Townships where Community Deputies share current information.

When To Call Animal Services: (608)267-1989

1. Call for animal care & health information
2. Education about staying safe around animals
3. General information
4. **FOR NON-EMERGENCY COMPLAINTS**

An announcement from PUBLIC HEALTH MADISON & DANE COUNTY:

The COVID test site at Alliant Energy Center is closed on Sundays and Mondays. It opens at noon on Tuesdays. In previous weeks, we have had a line before we've even opened for the day on Tuesdays. If you're coming to get tested, we suggest you avoid this time.

If you attended a gathering this weekend and are concerned you may have been exposed, getting tested today or tomorrow is too

early. You most likely won't have built up enough virus in your body to be detected by a test yet. Please wait 3-5 days after an exposure to get tested, unless you have symptoms.

As a reminder, we recommend testing for:

- ☞ People who have had close contact (within 6 feet for about 15 minutes) with someone who tested positive for COVID.
- ☞ People with COVID symptoms.
- ☞ People who have regular exposure to a large number of people (like people who work in grocery stores)
- ☞ People who work closely with high-risk populations (like healthcare workers).

See our testing page for other details:

Wisconsin's deer hunt is just around the corner. The DCSO will offer our annual Hunter Sight-In from November 7-20 at the Law Enforcement Training Center on Highway 19, near Waunakee. There is a \$10 fee for the first gun and \$5 for each additional gun. Hours are 8:30 am -3:30 pm daily. Masks will be required inside the building. For more information, call (608) 284-2400.

THE 9PM ROUTINE:

- Check vehicles to insure you have removed all valuables, locked your doors and secured your garage door.
- Walk around your home & lock/secure all doors & windows.
- Turn on outside lights.
- Report any suspicious activity.

Theft is a preventable crime of opportunity that can happen in an instant. Taking these simple steps can help with prevention.
